Some nations to stakes must be ready to the Secretary on or before the first day of August, 1887. Entries for the races must be made for Monday's races on the Saturday preceding; for Wednesday's races on Sunday; and for the races on Wednesday, at the regular time for closing entries as designated by the rules. Those who have nominated in stakes must name to the Secretary in which they will start the day before the race, at 6 P. M. Horses entered in races can only be drawn by consent of the Judges.

The rules of the Pacific Blood Horse Association will govern racing races. All horses entered for District races must be owned and kept in Nevada or California, east of the Sierra Nevada mountains, for six months prior to day of race.

Entries to all trotting races will close September 1st, with the Secretary. Five or more to enter, three or more to start in all races for purse.

National Trotting Association Rules to govern trotting races. Pacific Coast Blood Horse Rules to govern running races, except as above.

All trotting and pacing races are the best three in five, unless otherwise specified; five to enter and three to start. But the board reserves the right to hold a less number than five to fill, by the withdrawal of a proportionate amount of the purse. Entrance fee, ten per cent. on purse, to accompany nomination.

National Trotting Association rules to govern trotting; but the Board reserves the right to trot heats of any two classes alternately, if necessary to finish any day's racing, or to trot a special race between heats. A horse making a walk-over shall be entitled only to the entrance money paid in. When less than the required number of starters appear they may contest for the entrance money, to be divided as follows: 66 2/3 to the first, and 33 1/3 to the second.
